Representatives of the Drewsteignton Church rooms were in attendance and informed the council that they would prefer to no longer be responsible for the maintenance of the public toilets, they currently pay for the water and the business rates. One of the Tenants of the lease was in attendance and reported that of the other 2 tenants one has passed away with the other very ill, and he would be writing to the National trust to give notice that he is surrendering the lease for the toilets also that the toilets would be closed as there are concerns of public liability insurance cover.
