1.11.19 Welcome: – Chair of the Parish Council welcomed everyone and called the meeting to order.

2.11.19 Apologies for absence: No apologies were received.

3.11.19 Minutes of the Last Meeting –
   a) to consider the approval of the Minutes of the meeting held 21st October 2019.
   b) to consider the approval of the Minutes of the Extra-ordinary meeting held 26th October 2019.

4.11.19 Declarations of Interest: No declarations received.

5.11.19 Guest Speakers from Castle Drogo – Heather Kay.
At the Castle:
   • Main scaffolding came down over the summer and now works continue at low level (places where we were unable to reach with the scaffold in the way)
   • We continue to be challenged with complicated works, but everything is progressing and we now estimate (if the weather is kind) to finish in late spring 2020. Unfortunately, weather is often not so kind so we are very hopeful the winter will not be a bad one.
   • The Chapel Garden was reinstated this year and there will be significant works in 2020 to reinstate other areas as the construction site is dismantled (forecourt surface, lawns, paths) – we are finalising designs and then all appropriate consents/permissions will be sought.
   • We are also planning a series of celebration/thank you events to recognize the completion of the major conservation project and this will definitely include invitations for the local community who have been with us every step of the way!

On the Estate:
   • Rectory woods fencing has been completed and just being checked before we will be moving the ponies down from Piddledown across to Rectory for around 4-6 weeks.
   • Tom Wood, Area Ranger also wanted to make sure that we addressed some rumours that we were cutting down all of the beech trees on the drive which is not the case. We are planning to thin these next winter in line with typical silvicultural practice. The trees removed will mostly come from the middle strand, leaving the outer ones as a wind barrier and ensuring the visual appearance of the stands doesn’t change too much.

6.11.19 Public Speaking Time (max. 10 minutes) – No members of the public present.
7.11.19 Council Policies: to consider the approval and ratification of the following Policies:

a) DPC 006 Internal Audit Policy V1.0

c) Purchase of Mobile Vehicle Activated Speed sign for Crockernwell – Cllr Brennan
provided a summary document to Cllrs. It was felt that there is no justification for an additional device in light of speed data received from Police. It was suggested that the sign be moved on a 2-3 week pattern for the 2x3 months of the year which DPC have the unit. Under the agreement we would be able to hire out the unit to other parishes, Cllr Ridgers agreed to put Spreyton Parish Council in contact with us if they are interested in hiring the unit.

It was suggested that the Council look at new site in Crockernwell. Action: Cllr Brennan to provide Clerk with location information so she can contact DCC highways as to suitability. Cllr Brennan to look into a possible new site in Whiddon Down which would require new post.

Cllrs agreed that a method statement and deployment plan would be required for volunteers moving the unit.

Cllrs agreed to operate the unit on a "fix on fail" basis and thereby avoid the cost of a £318 (+ VAT) annual maintenance agreement.

The existing agreement with Sticklepath Parish Council expires in June 2021. Action: Clerk to ensure sign is included on asset register.
